INDIANA UTILITY
REGULATORY COMMISSION

CAUSE NO. 42358

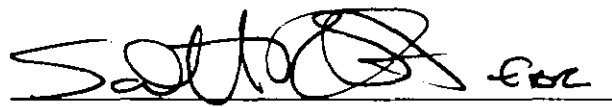

You are hereby notified that the Indiana Utility Regulatory Commission ("Commission") has, on this date, caused the following entry to be made:

On December 26, 2002, GTC Telecom, Inc., ("GTC") filed a *Petition for a Certificate of Territorial Authority to Resell Bundled Local Exchange Telephone Services* ("Petition") with the Commission pursuant to the streamlined procedures adopted in Cause No. 39983. On January 17, 2003, the Indiana Office of the Utility Consumer Counselor ("OUCC") filed a *Motion for Public Evidentiary Hearing* ("Motion"). The Motion was granted, and a Prehearing Conference was held in this Cause on February 27, 2003, for purposes of establishing a procedural schedule in this matter. The Commission issued a Prehearing Conference Order in this matter on May 8, 2003.

Since the Prehearing Conference, this matter has been continued several times at the request of the Parties in an effort to allow GTC to obtain and submit additional financial information in support of its Petition. There has been no activity in this Cause since the *Petitioner's Motion to Continue Procedural Schedule*, filed on January 2, 2004. As this matter has been inactive for an extended period of time, and concerns a Petition that is now almost two (2) years old, the Presiding Officer hereby directs the Parties to notify the Commission within ten (10) calendar days as to why they believe this proceeding should not be dismissed without prejudice to allow GTC to provide an up-to-date filing with respect to the entirety of the relief requested in this Cause--when it is prepared to proceed.

In the event the Parties fail to notify the Commission within ten (10) calendar days regarding their desire to proceed in this Cause, the Commission may take steps to dismiss this matter without prejudice pursuant to 170 IAC 1-1.1-24.

IT IS SO ORDERED.
